

Constraint Technology (course 1DL023)

Uppsala University – Autumn 2009

Assignment / Project n

LastName₁, FirstName₁ [and LastName₂, FirstName₂]

Month Day, Year

Declarations:^{1 2}

- *I / We certify that this report and all its attachments are solely produced by me / us, except where explicitly stated otherwise, and that I / we can individually explain any part of it:* yes / no.
- This report has been *thoroughly* spell-checked [and grammar-checked]: yes / no.
- All other instructions on the homework statement and at the homework web-page (<http://www.it.uu.se/edu/course/homepage/constech/ht09/assignments>) have been understood and *meticulously* followed: yes / no.

¹Instructions: Fill in the homework number n , your full names(s), and the full date. Delete the appropriate word before or after each “/”, including the “/” itself. Delete the optional “[...]” passages or fill them in after just deleting the “[” and “]”, as appropriate. Delete these two footnotes.

²Only reports with three “yes” declarations will be graded.
