The timeline

2018-04-13: This announcement and preliminary lists of voters for the three relevant corporations are posted on the bulletin board in building 4, floor 2 and published in LäsIT. Objection to the preliminary list of voters shall be submitted to the Election committee no later than one week after onset, last 2018-04-20, thereafter the list of voters is final.

2018-04-23: Final lists of voters are posted on the bulletin board in building 4, floor 2 and published in LäsIT.

2018-04-23–2018-04-27: Nominations are to be submitted to the Election Committee. All eligible voters in the corporation have the right to nominate. Nominations should be submitted to the Election Committee in writing (paper or email) stating the name of the nominee, who is nominating and a written consent of the nominee. Nominations must not be limited to only regular mandate or deputy mandate. You can nominate yourself. Received nominations will be posted on the bulletin board as soon as they are submitted.

If the number of nominees at the nomination deadline is less than the number of seats that the corporation will receive, the nomination period for the corporation will be extended for a week which means that the voting and subsequent time line is adjusted for the corporation in question. If nominations after the extension still are too few, the election will be conducted all the same.

2018-05-29: Public counting of votes at 14.00 in room house 4 floor 2 room 4218. Protocol from the counting will be posted soon thereafter on the bulletin board in building 4, floor 2. Any claims regarding the protocol should be addressed to the Head of Department within six days.
2018-06-05: Earliest June 5, election results finalized.

The complete instructions are available on the bulletin board and in LäsIT.
