Welcome!
Student advisor

Discuss your study options, any problems you might have with your studies or study situation, and thoughts about your future career. Part of our job is to know how you are getting along.

Student Account

Are you admitted to Uppsala University?

If you have been admitted to Uppsala University, you are probably eager to get started with your studies. But before you get started you need to do one important thing: you must register for the course or programme you are going to attend. As a new student, the first step is to get a student account.

[Activate your student account]
[Log in]
[Placed as a reserve]
Studium & Ladok

Studium: learning platform for course material
https://login.studium.uu.se/

Ladok: course registrations, study results, download certificate of registration
https://www.student.ladok.se/student/loggain
Apply for the campus card
https://www2.uu.se/en/students/your-rights/campus-card

The campus card is a mandatory multi-function access card for entry to all the University's campuses, printing, borrowing books at the university library and more. If you study or work at the University, you should have a campus card.
