Mohamed Faouzi Atig
(programme coordinator)
Present yourself
in a few words
Welcome by Prof. Bengt Jonsson
Schedule, general overview

http://www.it.uu.se/student/welcome_masters/orientation_embeddedsystems_2019
Individual meetings

- Study plans: Each student will have a 20 minute meeting with Mohamed Faouzi Atig to discuss the study plan and finalise enrolment.
  - Choose courses for the first period.
  - Sign up on list with meeting times.

- More info about course choices on Tuesday afternoon.
Student Accounts

- Central web page for all course-related activities: www.studentportalen.uu.se

- Once registered as a student, you should activate your student account at the following webpage:
  https://konto.weblogin.uu.se/index-en.html
Unix accounts

• Used for Unix (actually Linux) lab rooms.
• Will work once you are registered to a course that needs them.
More welcome activities
(see links on the Orientation Week page)

• Uppsala University
  ▪ Reception on Friday, 30/8
  ▪ Fair on Friday, 30/8
• Faculty of Science and Technology, UTN
  ▪ Reception on Wednesday, 4/9
• Student Nations & Uppsala Student Union
  ▪ Whole week
  ▪ See this folder
Student Nations

• The student nations are “colleges” associated with Swedish counties/regions. You can join a nation and participate in many activities, and have access to their buildings.

• The nations have their own Orientation Program.
