Licentiate Theses from the Department of Information Technology

The following is an index of the Licentiate Theses series from the Department of Information Technology at Uppsala University. This series has ISSN 1404-5117. The theses can be ordered from the Department of Information Technology, Uppsala University, Box 337, SE-751 05 Uppsala, Sweden. Most of them are also available electronically from [http://www.it.uu.se/research/publications/lic/](http://www.it.uu.se/research/publications/lic/).
