Student Account

Are you admitted to Uppsala University?

If you have been admitted to Uppsala University, you are probably eager to get started with your studies. But before you get started you need to do one important thing: you must register for the course or programme you are going to attend. As a new student, the first step is to get a student account.

Campus Card

Apply for the campus card

<https://www2.uu.se/en/students/your-rights/campus-card>

The campus card is a mandatory multi-function access card for entry to all the University's campuses, printing, borrowing books at the university library and more. If you study or work at the University, you should have a campus card.
